

# Title IV Funding Alignment

## Sports For Learning alignment with Title IV Funds

Title IV, Part A of the Every Student Succeeds Act of 2015 is intended to improve students' academic achievement by increasing the capacity of School Districts to provide all students with access to a well-rounded education, improve school conditions for student learning, and improve the use of technology in order to improve the academic achievement and digital literacy of all students.

**The SFL program meets the criteria for funding through activities to support well-rounded educational opportunities & support safe and healthy students in a number of ways:**

- **STEM Education:**  
Providing exposure to STEM topics through sports, along with a comprehensive, NGSS aligned Student Workbook
- **Physical & Mental Health:**  
Our engaging sports games provide the ideal opportunity for students to take part in physical exercise
- **Social & Emotional Learning:**  
With the guidance of college role-models, our engaging sports games teach valuable social and behavioral skills
- **Cross-Cutting:**  
The SFL program is cross cutting in nature, bridging the gap between the playground and the classroom
- **Supportive Learning Environment:**  
Providing students and school staff with a positive school climate while promoting academic achievement

**A school can utilize the SFL program in the following ways:**

### Lunch recess
